

Asian Development Bank

Viet Nam Resident Mission

30 June 2016

To whom it may concern;

This letter is to confirm that Prime Construction & Trading Company Limited was successfully selected by the Asian Development Bank (ADB) Viet Nam Resident Mission as the main contractor for the fitting out of the ADB Office of Viet Nam Resident Mission (VRM) on the 3rd floor, Cornerstone Building, 16 Phan Chu Trinh Street, Ha Noi, Viet Nam, which was completed and handed over on time in July 2015.

Prime Construction and Trading Co., Ltd. won this job following a competitive tender process in February 2015. Though they were given a very short construction time frame and strict international standard requirements for this project, Prime completed and delivered the overall project on time with a high level of quality and professionalism in project management.

Prime Construction and Trading Co. is worth to be considered for those who are looking for a fit out contractor.

Yours sincerely,

Le Kieu Thu
