**PROJECT: RELOCATION OF MAYBANK HANOI BRANCH TO 9<sup>TH</sup> FLOOR OF CORNERSTONE BUILDING, 16 PHAN CHU TRINH STREET, HOAN KIEM DISTRICT**

---

Malayan Banking Berhad had selected and awarded Prime Construction & Trading Company Limited to undertake the abovementioned office fit-out project in June, 2014. Prime Construction won this job following a competitive tender process in March 2014.

As the lead Contractor for the project, Prime was responsible for the management and delivery of the construction of the fit out and MEP service. Given a very tight time frame on the project, Prime Construction has successfully completed the project on time, well within budget and to the complete satisfaction of our team, without any aggravation and anxiety.

On any assessment, Prime Construction ticks all the boxes and I will have no hesitation in considering and recommending Prime for any future projects.

Yours sincerely,

For Malayan Banking Berhad, Hanoi Branch

  
Sulaiman Abdul Aziz  
General Manager
