

31st August 2015

To Whom It May Concern

Please accept this letter as our highest recommendation of an interior fit out contractor, Prime Construction & Trading Company Limited ("Prime"). We have had the opportunity to work with Prime for the last 4 months to construct a Sale Gallery and Show Units of the Habitat Binh Duong Project (a high rise residential development, located in Thuan An, Binh Duong).

Prime has demonstrated a professional and ethical caliber during this time. The Firm has built and completed a sale gallery and 2 show units including wet works, fit-out, and landscape works within 4 months. Schedules have been maintained and all the Works have been completed on time with good quality and no safety accident.

Prime has showed high level of professionalism and project management skills in managing its project team and coordinating with other stakeholders including international professional consultants such as RSP, Halo, JRP, Tham & Wong, SCI, Langdon Seah, and Apave in order to complete the Works successfully.

Understanding that it takes highly qualified personnel to maintain a good quality of the Works, Prime has provided exceptional staffs that stay involved and accessible throughout the Project.

Prime is truly a firm that VSIP-Sembcorp Gateway will want to continue to work with in the future.

If you need further information, please call.

Sincerely, 

Alan Cen
General Director
