To whom it may concern

We engaged Prime Construction for carrying out the overall design and fit-out construction works for Murphy Nha Trang Oil Co. Ltd. Operating Office located at 35F, Bitexco Financial Tower, 2 Hai Trieu Street, District 1, Ho Chi Minh City.

At all times, Prime Construction acted in a professional manner and had a properly understanding of our demand. We feel satisfied with their construction service because Murphy office was completed really nice within requested timeline and their after sales service is very good too.

We would be happy to recommend Prime Construction & Trading Company Limited to any potential Clients.
