Dear Dr. Long,

This is to present our appreciation to Prime Construction for its great construction work done for our new office at 6/F Diamond Plaza, 34 Le Duan street, District 1, HCMC.

Prime Construction have made us very happy with its quality products and work in our new office as its work either met or exceeded our expectations. It is also important to mention the hard work of your team and your sub-contractor - HTE to meet our very tight schedule.
